

NTT PERSIAN

# NATURAL STONE COLLECTION

Onyx · Marble · Travertine · Granite

# Introduction

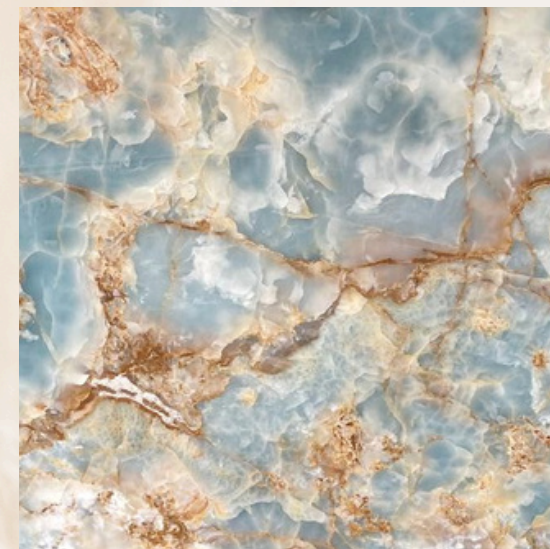

**NTT Persian** is a leading supplier of **premium Iranian natural stone**. Our expertise lies in sourcing and delivering world-class **Onyx, Marble, Travertine,** and **Granite** for luxury architectural and interior design projects worldwide. **Worldwide delivery** — from Europe and Asia (China, Russia) to the Middle East, Africa, and the Americas — serving clients who value **quality, design,** and **heritage**.

# Signature Stone Collection

Experience the beauty and diversity of **Iranian natural stone** through our curated selection of premium **Onyx, Marble, Travertine, and Granite.**

Each slab in our collection tells a story of nature's artistry, captured through **unique patterns**, rich textures, and timeless elegance.

Discover stones that inspire — perfect for **luxury interiors**, architectural masterpieces, and bespoke design projects worldwide.

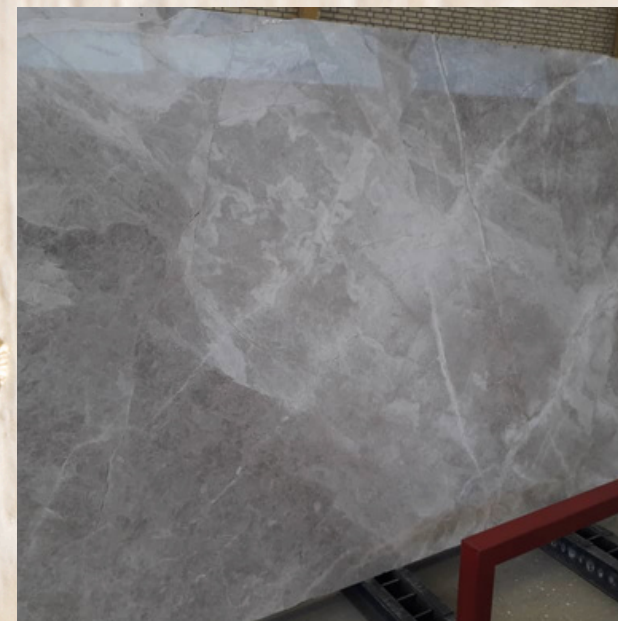

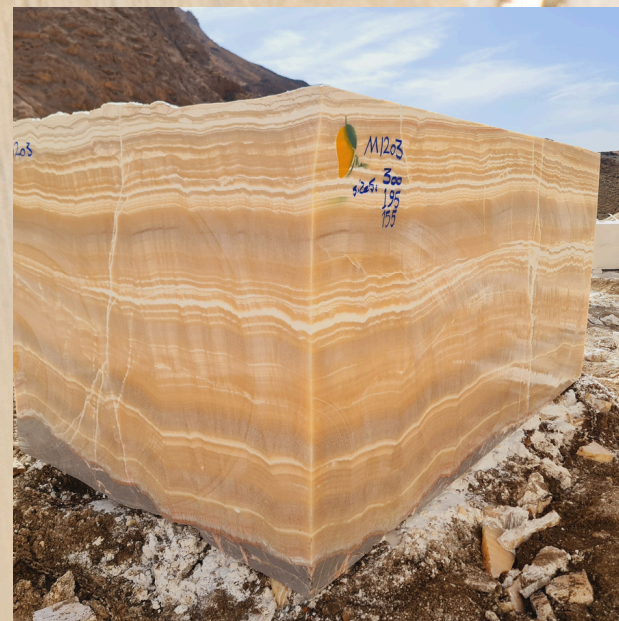

# Our company

**NTT Persian** is based in **Iran** — home to some of the world's most exclusive and breathtaking natural stone reserves.

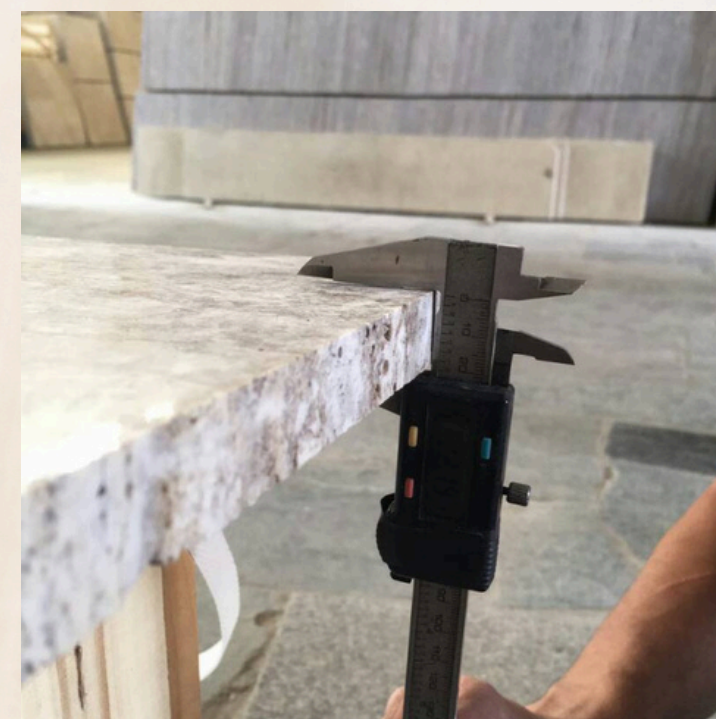

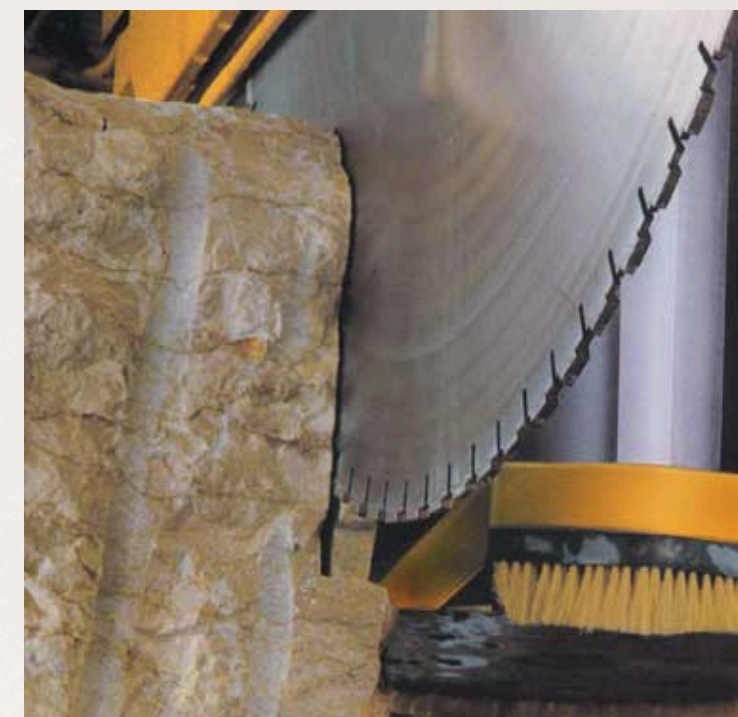

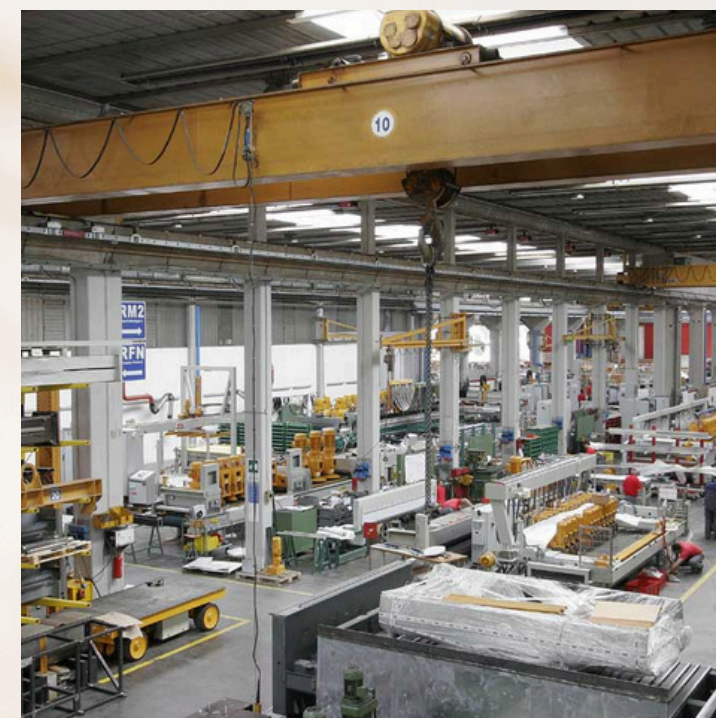

We specialize in the production and export of **Onyx, Marble, Travertine, and Granite**, processed using **high-quality machinery**, including Italian Breton technology.

Our operations combine technical precision, craftsmanship, and global logistics to meet the highest demands of **designers, architects, and importers** across the world.

# Our Mission

Quality  
Warranty  
Design  
Innovation
